WELCOME

Whether you are a new or an existing client, we would like to thank you for choosing **ALPHAVET VETERINARY CENTRE**. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **ALPHAVET HEALTHY PET PLAN**.

OUR PLAN OFFERS:

- ✓ Top quality licensed medication
- ✓ Regular checks and maintenance of good general health for your pet
- ✓ Convenient monthly payments for routine services
- ✓ Discounts on additional services
- ✓ Optional Accidental Injury Cover

PREVENTION IS BETTER THAN CURE!

Our practice membership scheme provides pet owners with the support they need to help their pets stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments. In addition, an overall clinical examination gives us the opportunity to carefully monitor the general health of your pet and offer advice, support and treatment planning, which in many cases may prevent problems arising in the future.

Furthermore, the cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice..

Pets in the **ALPHAVET HEALTHY PET PLAN** can be covered for Accidental Injury up to £2,500 per incident up to a total of £5,000 in any 12-month period (an excess applies). This option is available for only a small additional charge per pet, per month.
